Primary: Elementary Diploma
Cadiz East Elementary School - 1

Cadiz City, Negros Occidental
2010 - 2011

WORK EXPERIENCE

51 TALK
Online ESL Teacher | Full time
May 2018 – April 2022

- Teaching Chinese students to learn English as their Second Language.
- Instructing students using textbooks, worksheets, games, and visuals to help improve reading, writing, speaking, and listening skills.
- Delivering lessons encompassing range of skill building activities in four areas of language learning: speaking, writing, reading, and listening.
- Administered tests and completed evaluations to analyze student performance.
- Continuously documented students' progress and provided appropriate feedback on assignments.
- Evaluating student's progress

IQOR
Customer Service Representative
April 22, 2022 – May 15, 2022

- Delivered high-volume customer support via phone, chat, and email for the 1-800-FLOWERS e-commerce portfolio, including sister brands Harry & David and Cheryl's Cookies.
- Assist customers with placing orders, tracking deliveries, resolving complaints, and processing refunds or exchanges
- Resolved complex customer complaints, billing discrepancies, and delivery issues by efficiently processing refunds, exchanges, and order modifications.
- Maintained strong performance metrics in a fast-paced environment, navigating multi-screen CRM software and internal databases to ensure rapid first-contact resolution.

TELEPERFORMANCE
Technical and Sales Representative
June 8, 2022 – November 26, 2022

- Provided dual-function support as both a technical troubleshooter and sales expert, managing high-volume inbound interactions for SiriusXM satellite radio subscribers.
- Consistently met or exceeded strict performance KPIs, including Sales Conversion Rate, First-Contact Resolution (FCR), and Average Handling Time (AHT).
- Diagnosed and resolved technical issues related to satellite radio hardware, signal activation, connectivity errors, and mobile streaming application glitches.

- Navigated advanced CRM platforms and diagnostic tools to efficiently manage customer accounts, update billing information, and document technical resolutions.

CONCENTRIX
Technical Service Representative
December 07, 2022 – May 20, 2025

- Provided comprehensive technical support across multiple Lines of Business (LOBs), including High-Speed Internet, Digital Cable TV, and Home Phone services.
- Troubleshoot and resolved home internet connectivity issues, isolating causes for slow data speeds, intermittent connectivity, and wireless gateway signal interference.
- Guided customers through step-by-step internet hardware configurations, including remotely resetting modems, setting up routers, and onboarding new devices to the home Wi-Fi network.
- Diagnosed and resolved home internet hardware issues, guiding users through configuring, resetting, and provisioning wireless gateways, modems, and routers.
- Utilized proprietary backend diagnostic tools and CRM systems to analyze live internet line signals, verify broadband data speeds, and provision consumer hardware.

ACHIEVEMENTS/AWARDS

- **Dean's List / High Commendation (UNO-R)** – Recognized for outstanding academic performance during both the First and Second Semesters of Academic Year 2025–2026.
- **TNPS Top Game-Changer (Concentrix**) – Recognized in August 2024 for achieving a perfect 100 Net Promoter Score across 14 customer satisfaction surveys for the April Fiscal period.
- **5-Star Game-Changer Award (Concentrix)** – Received in August 2024 in recognition of extraordinary performance and workplace contributions during the May Fiscal period.

SKILLS

Hard Skills/Technical Skills

- **Software Development & Systems Programming:** Turning concepts into functional applications, designing logic structures, building interactive screen flows, and engineering data-backed features across web, mobile, and backend platforms.
- **Hardware Configuration & Provisioning:** Remotely configuring modems, setting up Wi-Fi routers, provisioning consumer hardware devices, and onboarding multi-device home networks.

Soft Skills

- **Customer De-escalation & Empathy**: Managing high-stress consumer complaints, resolving complex billing disputes with patience, and maintaining exceptional composure during peak holiday service rushes.

- **Adaptability & Time Management:** Successfully juggling high-pressure corporate performance metrics (AHT, FCR, CSAT) and strict multi-screen system workflows while maintaining a top-tier academic standing.
- **Active Listening & Technical Translation:** Breaking down complex software, network, or billing configurations into simple, easy-to-follow everyday language for end-users.
